

ELLA BELLA® Titanium Flat Iron Hair Straightener (with Infrared) • Professional Straightening Iron • Digital Display to Accurately Control Temperature • As Featured in Good Housekeeping

About this item:

- As Featured in GOOD HOUSEKEEPING - Achieve straight, smooth, and silky hair in minutes with our INFRARED and IONIC technology.
- TEMPERATURE CONTROL WITH DIGITAL DISPLAY - Fully adjustable digital temperature control ranging from 320°F-450°F making it suitable for all hair types
- INNOVATIVE STYLING TECHNOLOGY - Experience the benefits of Infrared Technology for advanced hair styling. Combined with Titanium Plates, it protects your hair, ensuring even heat distribution, adding shine, and reducing frizz.
- EFFORTLESS CONVENIENCE AND SAFETY FEATURES - Equipped with dual voltage compatibility for worldwide use, a 360-degree swivel cord for hassle-free styling, and an auto shut off function for peace of mind.
- WOMAN OWNED BRAND THAT YOU CAN TRUST - If you're ever unhappy for any reason, let us know. Ruth (Ella Bella Owner Operator) will personally make it right.
