How to use:

- Step 1: Connect to 2 pin plug electricity.
- Step 2: Moist your hair (not too much wetness).
- Step 3: Run along hairs, all through the end.
- Step 4: Do not Swirl at all.
- Step 5: Do not use continuously for more than 25 minutes (provide 5 minutes break by un-plugging).

Troubleshoot:

Not Starting:

- Step 1: Make sure StyleX is connected to 2 pin plug electricity.
- Step 2: Any hairs entangled around device?
 - If so, first un-plug the device, wait till it cools down, then remove all hairs that are entangled.
 - Plug it again and you are good to go.
- Step 3: Do you small see Red Light at the tip of the device? If so, press and hold small round button for 10 seconds – this should re-start and turn into Green Light. With this you are good to operate.
- Step 4: Do you see small Green Light at the tip of the device but not starting?
 - If so, press and hold small round button for 10 seconds – this should re-start and turn into Green Light. You need to un-plug for at least 2 minutes before you plug again. With this you are good to operate.
